GROCERY SHOP

20-Page Opening Inventory & Price Estimate

Suggested stock list with product weight / pack size, opening quantity, estimated unit price and line amount.

ESTIMATE SUMMARY	VALUE
Product categories	19
Total listed SKUs	315
Suggested opening inventory	■291,706
Currency	Indian Rupees (INR)
Estimate basis	Indicative retail / purchase-planning rates
Prepared on	1 November 2026

Important: This is a planning estimate, not a supplier quotation. Prices vary by brand, quality, city, season, taxes and purchase volume. Fresh produce and dairy prices can change daily. Confirm rates with local wholesalers before purchasing.

Each category on the following pages includes suggested opening stock quantities. The line amount is quantity × estimated unit price.

01. Rice & Rice Products

Suggested opening stock estimate: ■**17,545** | 15 products

No.	Product	Weight / Pack	Stock Qty	Est. Rate (■)	Amount (■)
1	Regular rice	kg	50	58	2,900
2	Basmati rice	kg	25	110	2,750
